2 Field Events*

Locker Facilities/Sauna

Croquet

Boccie Ball

*Additional field events are available for a fee of \$70/per event.
Recreation coordinators are available to organize and run field events
for a fee of \$50/per hour.

GAMES FOR CHILDREN

(Ages 10 and Under)

SPIDER'S WEB

Players sit in a circle. One child holds the end of a ball of string or yarn and throws it to another person. This continues until everyone in the circle is holding on to the yarn and a "spider web" is formed. The pattern is then reversed to untangle the web.

TRAIL MIX

A trail of yarn is made, using a different color for each child, leading to a prize at the end. Each child follows his/her "yarn trail" until discovering the prize.

GUESS WHAT I AM?

A number of safe objects are placed in a paper bag, one at a time. Each child reaches into the bag, feels the object and tries to identify it.

PEANUT TOSS

A number of peanuts equal to the number of participants is tossed into the air and lands on the ground. Each child picks up one peanut. The number on the shell designates which prize each child receives.

TUGBOAT TOMMY'S RING TOSS

Players toss rings into a pool of tugboats marked with color-coded dots. Children who successfully toss a ring around a floating tugboat can win points or a prize associated with its colored dot.

"BOZO'S" BEAN BAG TOSS

Children toss bean bags at wooden clown cutouts. Players can win points or be awarded prizes if successful at tossing a bean bag through holes in cut in clowns.

OTHER TOYS & GAMES

The Recreation Staff can also supply the following toys and games to help entertain the children at your picnic.

Check with your conference planner for scheduling or additional charges.

Hippity Hops
Hula Hoops
"Play Hut" Crawl Tunnels
Kick Ball

Musical Chairs
Water Balloon Toss
Egg Toss
Potato Sack Race

☛ All PRIZES mentioned above are the sole responsibility of the client. ACE Conference Center *does not* provide prizes for any games or activities.

GROUP/RECREATIONAL ACTIVITIES

Our Recreation Staff are ready to organize any of the following activities for your group, with advance reservations. Check with your conference planner for scheduling and for special requests/ additional charges.

SCAVENGER HUNT

A list of about 60 objects is provided. Team members must locate the objects in a delineated area, within a specified time limit. More objects may be added for larger teams (i, o)

WATER BALLOON SHOOT

Each team uses a Goliath-sized sling shot to propel water balloons into the air, which fellow team members attempt to catch in buckets. (o)
(no more than 5 teams, please)

BERMUDA TRIANGLE

Large, 10-piece, team-building puzzle / game (5 puzzles available). (i, o)

PISTOLS & WHIPPED CREAM

Team members armed with water pistols attempt to "shoot" dots of whipped cream off the noses of their teammates. (o)

HUMAN OBSTACLE COURSE

Four players from each team are stationed in file between the start and finish lines. The first stands, the second stands with feet apart, the third bends in leap-frog position, and the fourth stands. On signal, the first player runs around the first "human obstacle," dives through the legs of the second, vaults over the third, runs completely around the fourth and returns to the start line to tag the next team member. Each succeeding team member runs the course - first team to finish, wins. (o)

ACROSS THE RIVER & AROUND THE TREES

A variation of the "human obstacle course" using 5 different objects as obstacles. (i, o)

3-LEGGED RACE

Two team members tie opposite legs together and run with "three" legs from the start to the finish line. (i, o)

CLOSEST TO THE PIN

A golf flag is placed in the center of a "bullseye" ring. Each team member can earn points for his/her team by chipping a golf ball inside the bullseye ring. (o)

OLD CLOTHES RACE

Each team is provided with a bag of old clothes. Half of each team is placed at the start and finish lines. Player #1 must put on the old clothes and race to player #2, who puts on the clothes as player #1 takes them off. Player #2 then races back to player #3 and repeats the pattern until each team member has participated. (i, o)

BACKWARD LINE RACE

Three (3) team members line up side-by-side at the start line. The middle player faces the start line, the two on the ends face the finish line. Players link elbows and run to the finish line. A variation of the "backward line race": At the turning line, the end players face forward and the middle player has his/her back to the finish line. (o)

BOTTLE & BALL RELAY

Placed halfway to the turning line are 3 bottles with golf balls on top, and at the turning line are 3 additional bottles. Each player in turn runs to the bottles, removes the balls, carries them to the turning line and places them on the bottles. He/she then tags the second player who repeats the process in the opposite direction and so on. (o)

FOOTBALL SNATCH

Two teams face each other in parallel lines approximately 4 feet apart. One member from each team stands at each end of the center lane to act as snapper-back. Without stepping over the line, members of both teams attempt to catch the football as it is "snapped" down the center lane. Each successful catch scores a point for the team. (o)

Some events listed are adaptable for indoor play in case of inclement weather. However, substitution events may be required depending on the number of people in the group and availability of indoor space.

PICNIC BEVERAGES

BEER	1/2 KEG
Amstel Light	\$250.00
Beck's	\$250.00
Bud	\$175.00 <i>\$125.00 (1/4 KEG)</i>
